

Chester Boones - Pure - 8 fl oz. (5 x 6 Inch)

6"

5"

PURE

SUITABLE FOR FOOD
AND ORNAMENTAL CROPS

DIRECTIONS FOR USE

Mix up to 1 fluid ounce with one gallon of water. Distilled, rain, or soft water is preferred. Apply by spray, thoroughly wetting all areas of the plants, including leaf undersides and stems.

Wait three days before repeating the application. Avoid spraying in full sun; apply in the evening or early morning. Some plants may not tolerate certain products. If in doubt, test first.

STORAGE & DISPOSAL

Store the product out of direct sunlight and do not allow to freeze. Do not contaminate water, food, or feed through storage or disposal. Prevent entry into waterways or wastewater canals.

PRECAUTIONARY STATEMENTS

Avoid contact with skin and eyes. Always wear eye protection when spraying. Do not allow children or pets to enter the treated area until it has dried.

FIRST AID STATEMENT

If in eyes: Hold eyes open and rinse slowly with water for 15-20 minutes. If inhaled: Move to fresh air. If on skin: Wash with soap and water. If swallowed: Rinse mouth with water and drink plenty of water afterward. Call a doctor for treatment advice.

WARRANTY

This information is provided in good faith but without express or implied warranty. The customer assumes all responsibility for safety and use not in accordance with label instructions. The product names are registered trademarks of Chester Boones LLC.

Chester Boone's natural pesticide products are a special formulation that meets the criteria for exemption from pesticide regulation in 40 CFR 152.25(f), 25(b) exempt, from the requirements of the Federal Insecticide, Fungicide, and Rodenticide Act.
