

PRIDE LANDS DEFENSE

OMRI LISTED® FOR ORGANIC USE

ABOUT PRIDE LANDS DEFENSE

Pride Lands Defense is a unique product that is carefully crafted to help repel pests. It controls and repels mites, fungus gnats, thrips, root aphids, and soil-dwelling insect larvae. We use only the highest quality organic ingredients to aid in pest prevention.

DIRECTIONS

Use with soil or a soil-less growing medium. Pride Lands Defense is a coarse powder and is not suitable for Hydroponics applications unless applied as a foliar spray (see foliar instructions below).

Top Dressing:

Add 1 dry tablespoon per gallon of media or 1 cup (8oz) per 4'x4' of soil surface. Top dress the product around the base of plant. Lightly scratch it into the surface of the soil and lightly water it in. Apply monthly or as needed.

This product may be used on crops intended for human consumption, this product is exempt from registration with the U.S. Environmental Protection Agency under FIFRA Section 25(B) regulations.

INGREDIENTS
